<p>What will happen to all the graves that are there?? I personally think it's disgraceful that someone wants to change the church to apartments and car parking space. My son is buried there and the thought of a car parked over his grave really upsets us. It's bad enough losing a child but to have this done is awful. I visit my son's grave every week. So upsetting This wasn't passed a few years ago so why should it now.</p>
