| <p>I have a family member in this graveyard and feel it would be very upsetting for familys of loved ones to visit and tend to their graves i for 1 would not feel comfortable visiting if say the occupiers are having a party or family get together and say mabye a bbq ..the smell of cooking wafting , music playing the whole point is its a place of rest people sit and take in the peacefulness of the church yard ,how will the building works effect the graveyard will it still be access able ? What about if theres any damage ? ..is the parking for all to use or just the occupiers as the parking is all ready horrendous at school pick up and drop of times .</p> | |
