<p>I strongly object to this application, I have relatives buried there, maybe their graves are very old but they should still be allowed to remain. We are a Christian country, our loved ones should be allowed to rest in their chosen place without the interference of developers. It's scandalous if this application is allowed and if the church is turned into housing I hope the residents will be haunted by those whose resting place has been disturbed! For goodness sake, Kirklees, have some compassion for people who tend their loved ones graves regularly and refuse this application.</p>
