| <p>This is a absolutely outrageous request and i do hope it gets rejected. My is buried here and has being since and now my shares the same grave. We as a family visit the churchyard every single week and always have done! My has both buried here so this to now potentially be turned into housing and parking is absolutely disgusting. Let the deceased rest in peace and the family's who have lost loved ones still be able to visit the churchyard where they chose for their families to have grave stones. I strongly object to this ridiculous request and i do hope this happens! The road is already a nightmare in a morning and afternoon when the school is starting and finishing so isnt doing this going to make it a 1000 times worse than it already is?</p> | |
