<p>I am an allotment holder at the Malvern Road site behind Stile Common Road and I have concerns around the change of this planning application to Emergency Housing. Stile Common Road is already saturated for parking safely with the building of the two student accommodation flats and the multi-let rooms of other accommodations on the street, but my main concern regarding Emergency Housing is around the character of the area and the safety of my young grandchildren who walk down to help out at the allotment, which is only 100 metres from the property potentially wanting planning for emergency housing.</p> <p>I formally request that the council take my objection into consideration when dealing with this application</p>
