Subject: Planning ref:2025/90484

Dear Sirs

I refer to the above planning application.

My wife and I have resided at Wits End, Pike Law Lane, HD7 4PL since 1991 which is opposite the property detailed in the planning application.

During this period there have been two owners, being the applicants and their predecessors. In our opinion, the property is now in a much better state of repair and sits better within the local architecture having been renovated by the current owner. Whilst we appreciate that this property is listed and has certain obligations attaching to it regarding alterations and general upkeep, we feel that the work has been carried out sympathetically using materials sourced from the local area and more importantly done for the right reasons.

We are in support of this application and urge the planning authority to grant retrospective approval.

Yours faithfully
