This is a bad location for a fast food outlet as there is nowhere to park safely. Trinity street to the side is a very narrow cul-de-sac that can barely accommodate the residents let alone customers for a takeaway. The other side is the fire station, we can't risk cars blocking access for the fire engines. In addition the noise of customers coming and going at all hours is not acceptable. Residents of the street will be disturbed with car doors constantly banging. Fast food outlets are magnets to Rats due to discarded food and general food waste. As I am in close proximity this is something that I strongly object to. I don't want my peace and safety being put at risk.
