This location has traffic problems. Vehicles queue at the lights as far back as this building. Customers will not be able to park nearby. Trinity Street, the adjacent road is narrow and has no pavements. There is a large footfall from pedestrians going down to the public footpath leading to the Gym, and people taking children to the Scout HQ at 13 Trinity Street. Any more traffic will endanger them even more. Car drivers will illegally use the Fire Station forecourt or the very small car park belonging to Trinity Methodist Church, which is needed by their building users. Also, there are too many takeaways in the area already. We are constantly being warned against this type of food because of the high incidence of obesity. Another fast food outlet is not appropriate in this area.
