I object for several reasons.
Highway safety as double yellow lines are out the site, the fire station is next door and obviously requires 24/7 access. There is also the bus shelters further along again double yellowed and I worry that customers may park in there.

Domino's also does delivery and I worry that many people order food on apps these days to be delivered and worry that delivery drivers will cause chaos in the vicinity to collect and delivery food.

Residents on nearby Trinity Street may also be affected by smells from the extraction unit and litter may well be an issue as well and especially non weekends the risk of anti social behavior will also rise.

There are plenty of takeaways in the nearby vicinity and another isn't required.
