Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
A completely inappropriate site for a takeaway. There will be individuals and delivery drivers trying to stop to make collections when there are double yellow lines on both sides of the road for a considerable distance. Traffic is frequently queuing past these premises as they wait at the Station Road lights and any vehicles illegally parked would add to the existing considerable hold ups. A further factor is that the premises are are adjacent to the junction from Knowle Road. There is no nearby street parking as Knowle Road has double yellow lines, Fenton Street is permit users only and Trinity Street is too narrow. The outcome would be that people would try to use the Fire Station frontage which is a strictly no parking area. Why is a further takeaway needed there are already sufficient in the middle of Mirfield, there is an existing application in for takeaways at the Swan Service Station and Ravensthorpe is inundated with takeaways. The application should be refused.
