Address: 23 Trinity Street Mirfield WF14 8LT

About the application

Application number: 2025/90487	
What is the application for?:	Change of use and alterations to convert from vacant bank (Class E) to hot food
Address of the site or building:	47, Huddersfield Road, Mirfield, WF14 8AE
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No

My family have been residents of Trinity street for over 40 years I feel that this is a ridiculous proposal. Firstly there is no room to park and Trinity Street is already struggling with traffic passing each other coming up and down the street. There is nowhere to park to access the takeaway and there is no doubt that customers will try and park at either the Fire Station, which will impact the Firefighters in an emergency or customers will try and attempt to park in Trinity Street thus impacting the local residents. Trinity Street is a dead end and there is nowhere to turn round easily. It is already hard enough for vehicles to pass and for emergency vehicles to access and exit the street. The increase in traffic from customers and delivery drivers will have a significant impact on the local residents. On a daily basis there are visitors to the church and young people attending the scout groups, I worry that an increase of traffic will also raise the risks of accidents occurring.

Secondly, there are enough takeaways in this town, we should be promoting independent business that are not food related. Over the years I have seen an increase in anti social behaviour, litter, the increase in noise pollution let alone the increase in the rodents.

I believe if this proposed takeaway goes ahead it is going to significantly impact mine, my families and neighbours safety and wellbeing.
