Customers would not be able to park safely and legally. There are double yellow lines in front of and to both sides of the premises. Customers would have to park illegally on the road or on the fire station frontage, thereby obstructing the emergency access or block Trinity Street, which is only wide enough for one vehicle. There are numerous residential properties in close proximity. There would be noise nuisance from customers at night and home delivery bikes/cars. There would be noise and smells from the extract ventilation system. Litter would be created. Takeaway food encourages obesity. There is no overriding need for another takeaway.
