User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The building is completely unsuitable for this type of business. The fire station is next door. Customers would be using either the chapel car park or the fire station or blocking Trinity Street, which is very narrow. There are double yellow lines on Huddersfield Road, which is already a busy road. There would be noise from cars, delivery bikes and people late at night. We are also worried about smells and noise from the extract fans and litter from discarded meals etc. We ask that Kirklees refuse this application.
