As residents of Trinity Street Mirfield we are very concerned about the planning application for a Domino's Pizza takeaway at 44, Huddersfield Road, Mirfield.

If this application is passed there will be problems with parking, road safety, noise, possible anti social behaviour from customers, cooking smells, litter and rubbish. As you know, there are many houses in Trinity Street close to the former bank and nuisance is inevitable.

Three parking spaces are shown at the back of the property. These are totally inadequate for a business of this type and size and the access for them is in and out of Trinity Street, which is narrow, with already limited visibility turning onto Huddersfield Road during busy times. Customers would be tempted to park on the fire station forecourt with potentially serious consequences.

The comments in support of the application probably don't come from Trinity Street residents and are factually incorrect.

There's no need for another takeaway in Mirfield. It would be madness for Kirklees to pass this.
