This seems to be an entirely unsuitable site for Take-away premises. There is no available parking in the vicinity and during the day traffic is often extremely heavy - just one vehicle stopping illegally would lead to even more problems. Trinity Street is very narrow - just one vehicle width. I note the mention of a 3 vehicle car park at the back of the premises, but access to and from this has the potential to cause even more problems. I am a member of Trinity Methodist Church and our car park is accessible via Trinity Street and so I have personal experience of this area and the problems of accessing and leaving Trinity Street.
