<p>I fully support this application. This is a great opportunity to bring much needed employment into Mirfield by a Multi-National company who unlike many smaller enterprises will stay longer than a few years.</p> <p>There are people coming into Mirfield at all times of the day, the Fire station does not appear to have problems with people parking at the front, nor do people choose to park on Trinity Street. There is more than sufficient free parking at the CO-OP and the library car park.</p> <p>Instead of people trying to block this application, why not stipulate that Dominoes Pizza need to pay for anti-parking bollards at the rear of Trinity Church, same could apply to the fire-station. There are workable solutions if people took the time to make informed consideration instead of looking at their own interests.</p> <p>Mirfield virtually grinds to a halt late in the afternoons, its needs business's like this to invest in the town and help it to prosper for every ones benefit.</p>
