Subject: Planning Application Number 2025/90487

I am Trustee/Property Steward at Trinity Methodist Church, Huddersfield Road Mirfield WF14 8AB. The Community Rooms are accessed from Trinity Street Mirfield WF14 8AD. Our building is next door to the subject of the planning application.

I have already objected on-line via My Kirklees Account; but wish to submit an objection on behalf of Trinity Methodist Church.

This location has traffic problems. Vehicles queue at the lights as far back as this building. Customers will not be able to park nearby. Trinity Street, the adjacent road is narrow and has no pavements. There is a large footfall because pedestrians take their children to the Scout HQ at 13 Trinity Street, they use the community rooms at the rear of Trinity Methodist Church and use the public footpath to the nearby gym. Those with mobility problems access the lift to the worship area at Trinity Methodist Church via their very small car park. Car drivers will use this car park as well as the Fire Station forecourt. The dangers to pedestrians far outweigh the advantages of yet another fast-food takeaway.
