I object to Harron Homes changing these plans, I am a retired person and purchased this house on the assumption of these steps being built so it would allow me easier access to Cowrakes Road to use the public transport. Walking up and down the bend is treacherous, especially in winter time, which sometimes leave me housebound as it isn't safe. Making it into a trees/wildflower area will occur extra expense to all the residents for RMG to maintain this, which I'm sure will not happen and in time will become an eyesore for the estate.
