<p>This building would be out of character with, and an eyesore next to Whitechapel Church! The present ancient relationship between the pub and the church provides a tranquil view - this would be destroyed by this ugly plan. This was once a busy, popular and profitable pub and could be again, if Kirklees were to encourage and attract the right people. Don't let another heritage asset be spoiled! Once it's gone, it's gone! There would be a significant and continuing negative impact on the wildlife and the residents living near the church and pub, whose lives have already been disrupted by the adjacent Wadsworth Gardens development. Whitechapel Road is now busier, congested and more dangerous than bit used to be! Refuse this application</p>
