Design and Visual Amenity:

Summary of local street scene/character:

The application site refers to 4 Pateley Crescent, Fartown, Huddersfield, HD2 2PW, a two-storey terraced property faced in brick, with a pitched gable roof and uPVC windows and doors. The application dwelling lies in a relatively uniform street scene, being surrounded by dwellings of a similar size, scale, age, character, and appearance. The dwelling benefits from a hard-standing parking area to the front as well as amenity space to the rear.

Consideration has been given in terms of the impact of the proposal on the local character and street scene, including subservience, terracing and building line.

Impact on the Local character and street scene	<ul style="list-style-type: none"> • KDP1 of the SPD • Policy LP24 Design (a) and (c) of the KLP • Chapter 12 NPPF 	Given the limited scale of the development and the use of materials where possible that are sympathetic to the local area, it is considered that there will be no significant impact on the local character and street scene.	✓
Impact on original house	<ul style="list-style-type: none"> • KDP2 of the SPD • Policy LP24 Design (c) and (d) of the KLP • Chapter 12 of the NPPF 	As the footprint of the original house will not be increasing and the development is not connected to the property, it is considered that there will be no significant impact on the original house.	✓
Height, scale and massing	<ul style="list-style-type: none"> • KDP 1 and 2 of the SPD • Policy LP24 Design (a), (c) and (d) of the KLP • Chapter 12 of the NPPF 	The development is subservient to the original house in terms of height, scale, and massing.	✓
Facing materials and detailing	<ul style="list-style-type: none"> • KDP 9 of the SPD 	Brickwork walls will be erected close to the proposed step lift that match the existing building, with steel	✓

	<ul style="list-style-type: none"> • Policy LP24 Design (d) (iii) of the KLP • Chapter 12 of the NPPF 	handrails and guardrails are to be primed and painted to match those existing, and any new vehicle access and hard standing is to be developed using precast flags, again matching the existing site.	
Roof style	<ul style="list-style-type: none"> • KDP 1 and 2 of the SPD • Policy LP24 Design (a), (c) and (d) of the KLP • Chapter 12 of the NPPF 	There is no roof involved in this development.	✓

Accessibility for all users	<ul style="list-style-type: none"> • KDP 17 of the SPD • Policy LP24 Design (f) • Chapter 12 of the NPPF 	The step lift will allow access to the property for the occupants, with existing steps to the front of the house also being maintained.	✓

Parking provision	<ul style="list-style-type: none"> • KDP 15 of the SPD • Policy LP22 Parking (f) of the KLP • Chapter 12 of the NPPF 	The number of bedrooms at the property will not increase as a result of the proposal, and the hard-standing space to the front of the dwelling will retain enough space for one off-street parking space as at present, therefore, the parking provision at the site is	✓
