Hi,

Please see attached photos of dead sycamore tree, in the rear garden of 27 Lightridge Road, Fixby. Which falls just inside TPO area HU1/49/w3.

The owner of the property has reported significant die back of the majority of the crown over the last 12-18 months, with several lower limbs overhanging the garden which are dead.

I will be aiming to carry out the felling of this tree over the next 5 days or so.

Kind regards.
