Yes

No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

demoliton of existing detached garage to accomodate new detached garage

Yes

No

Has the proposal been started?

Yes

No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

existing dwelling house with full PD rights still available

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

A(00)-01 Existing Plans  
A(90)-02 Proposed Site Plan

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We consider the proposed garage to be lawful, since the property has full PD rights available, is not located on designated land, is not listed and is not within a heritage site. The proposed garage does not occupy more than 50% of the available curtilage and is single storey and less than 2.5 metres high overall. It is constructed in materials which reflect the existing garage and is located at the rear of the property and not forward of the principle elevation of the original house. Therefore the proposals fully comply with Class E Householder PD rights.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent  
 The applicant  
 Other person

### Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No
