Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Building too many houses on a small site, would effect neighbouring houses blocking light at sunrise as well as privacy concerns Parking and access would be an issue especially around silage time when the farm operate tractors and trailers on hall lane Numerous accidents on the junction in recent years access to the site not fit for peruse and will cause gridlocks at rush hour Added pressure on local amenities such as school and Dr surgery The demolition of the existing buildings and site post demolition have been managed poorly with dust and waste spread around the site that is potentially hazardous this leads to concerns about the contractors understanding any building works
