I would like to object to this application. I am a member of Thornhill Cricket Club and I feel building house next to a noisy sports ground will cause longterm problems for the residents and our club. I have been involved with other clubs where houses have been built near by and the result has been noise restrictions been placed on the clubs which has lead to the clubs been closed down. The council should be supporting sports clubs and outdoor activities which are good for peoples health and well-being.
