Objections is due to the amount of traffic that would be accessing through the top of Hall Lane, already a very dangerous corner of the road and onto the junction of the main road it's a serious accident waiting to happen. I'm also a director at Thornhill Cricket and Bowling club and this area should be only used for sport and natural beauty. I would think when the houses are built complaints to the council will come in due to noise from people playing sport and social activities from the club. Non of the voluntary directors at Thornhill Cricket and bowling club support this application and all object it.
