I am writing to STRONGLY OBJECT to the above planning application
2025/90889
Formally 2022/90227
Formally Combs Hostel
Hall lane , Thornhill, Dewsbury,
WF12 OPL.
By YT Developments Ltd

My concerns are based on an inadequate assessment of Hall Lane , which cannot support the projected capacity of additional traffic.
This narrow road is barely sustainable for the extremely large farm vehicles which need access several times a day as it is a working farm.
Fire engines have got stuck trying to access the road due to the parked cars which already overpopulate this road.
I have video footage to support this fact .
This opens up an alarming safety issue.
The access onto this road is via a blind bend which already has had several accidents over the years , the most recent being a 3 car crash only this week on 21st March 2026.
I also have supporting evidence for this incident.
This planning was submitted previously & work started last March 2025 contravening all planning regulations.
A large portion of this land is on a conservation area & yet trees & wildlife were decimated without any approval.
The bios & ecostructure destroyed forever.
No evidence of a satisfactory ecological report.
Soil was taken off site without any waste permits or analysis.
This site formally contained asbestos of which no action was taken.
I included all my concerns to the HSE authority & BBC news.
All the contraventions seem to have been ignored Is this a cover up?
These are just a few of my objections & for which I fully oppose the development.
