The area including farm buildings are listed as is the Rectory park wall.. 34 new homes would lead to 34 plus cars causing chaos at the top of Hall lane as it is,in my opinion,close to a nasty blind corner making entrance and exit dangerous as the cricket club also share the exit onto the main road . Hall lane is the only access to the farm so there is already large vehicles- tractors etc using it on a daily basis. The farm is a Dairy farm so I don't think the site would be suitable to promote good relations with the home owners as regards to smell and noise.
