Postcode:	WF13 3NF

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The proposed homes will affect the local area detrimentally; local GP surgery, dental practice and schools are already over subscribed, adding more people to the area will just make things worse. The junction that these people will get in and out of their road is on a blind bend and too narrow for that kind of traffic everyday. There have already been accidents there due to the nature of the junction. It is unfit for the purpose proposed.
