Postcode:	WF13 3NF

User comments

Type of comment: A supporting comment	
Do you wish your comments to be published on the website anonymously?	Yes
this application delivers additional housing in a suitable and accessible location. The development makes effective use of the site and contributes to meeting local housing needs in a sustainable way. The overall design appears appropriate, with limited impact on neighbouring properties or the wider area. This proposal represents a positive use of land and would be a valuable addition to the community.
