Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The wooden outbuilding is being located in an existing garden and we believe that it is permissible under permitted development guidelines. It will be located more than 2m from any boundary and the maximum eaves height is 1.503m.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

Please select...

Is the proposed operation or use

- [x] Permanent
- [ ] Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The erection of the wooden outbuilding conforms to permitted development rights. However these have been removed for the property. Therefore we are looking for a certificate of lawfulness for erection of the wooden outbuilding for personal use only as these rights have been removed.

- [x] No

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [ ] Yes
- [x] No

Interest in the Land

Please state the applicant's interest in the land

- [x] Owner
