<p>The garage is big enough as it is. An extension will create extra space for more cars. There is already a disturbance caused by the number of cars this business parks on the street, the reversing onto the road as the business moves cars in and out of the garage which leads to blockages on Newgate itself. The cars are often parked on the pavement so it inhibits pedestrians walking. This area is busy enough and the enlargement of the garage will only exacerbate the issues.</p>
