<p>Re: 2025/90940</p> <p>Having looked at the planning application, 2024/90940, I would like to support this scheme. It is an excellent proposal that puts something back into the local community. All too often houses of design have been lost to the wrecking ball, especially after the second world war, Kirkheaton is no exception.</p> <p>I feel this development puts something back into the local area and its history. It truly is a beautiful country house that will be marvelled for 100s of years to come and is well deserving of our support.</p> <p>Regards</p>
