<p>As a local resident, I fully support the cricket club's application. The cricket club is a vital community asset that provides sporting activities for both adults and children in the area. The additional changing facilities and kitchen space will help make the club even more accessible.</p> <p>The modernisation of the pavilion will also make it more inviting and will enhance the appearance of the park, rather than leaving the old, dilapidated building that currently stands there. In my opinion, the council and town council should be supporting clubs like this.</p>
