<p>I am writing to express my unequivocal support for the inclusion of dedicated Ladies' Changing Rooms within this planning application for Moorlands Cricket Club. As a new club member whose daughter has recently joined to play cricket, I see firsthand the pressing need for these facilities. The current situation, which often necessitates girls and women using shared or temporary changing spaces, is a significant barrier to feeling truly integrated.</p> <p>The construction of modern, separate changing rooms will achieve two vital things for the club's future Direct Inclusivity, It will immediately make my daughter and all other female players feel more welcome, comfortable, and respected as valued members of Moorlands Cricket Club. And secondly Future Growth: This is a crucial investment in growing the club's female section, demonstrating that Moorlands is serious about equality and modern sports participation.</p> <p>I urge planning to approve this aspect of the plan. Dedicated facilities are not a luxury! they are essential for the continued success and inclusive spirit Moorlands Cricket Club have shown.</p>
