<p>As a local resident and supporter of Moorlands Cricket Club, I'm very happy to support this planning application for the club's extension. Moorlands is a true family club at the heart of the Mirfield community — not only offering fantastic cricket opportunities, but also regularly hosting family friendly events that bring people together from all walks of life.</p> <p>I can honestly say that Moorlands has become a safe and welcoming place for my son. It's one of the few spaces where he feels included and supported, and that means the world to us. Having more space in the clubhouse would make a real difference, not just for him, but for other children and families with additional needs who already benefit from the club's inclusive approach.</p> <p>It's also brilliant to see the club now catering for women's and girls' teams, which shows their commitment to not only growing the game for everyone, but the positive health and fitness impact for many women, who before now have not exercised in years and now feel apart or something special.</p> <p>More space is now required, the proposed improvements will give the club the facilities it needs to grow and continue its brilliant work both on and off the field. I fully support the application and look forward to seeing Moorlands continue to thrive for years to come.</p>
