<p>Moorlands Cricket Club is run by a team of volunteers who work tirelessly to ensure that the club is inclusive to all. To see the amount of children who play there on a Friday night is an absolute positive for the community. At every level all feel included irrespective of age, gender, race, ability. It gives children and adults a place to feel part of something.</p> <p>The introduction of the girls teams and women's team is also a huge development for the club. The plan to build a changing facility for the women and girls is vital to ensure they have equal opportunities within the club house.</p> <p>By improving the facilities I don't feel this will create more traffic or more social occasions. It will just improve a clubhouse that is already crying out for more space. It would make it more appealing for the current users of the club. Moorlands Cricket Club already supports the local football team and ensures facilities are open for them each Sunday, all year round. For the community of Mirfield, two well established and inclusive club houses that look smart and well cared for can only be a good thing for Mirfield which right now is crying out for some positivity!</p> <p>I don't wish my address to be used.</p>
