Good Morning,

This is an email of notice to whom it may concern.

We have been asked to remove a failed tree in a conservation area that is currently over the boundary of a school and a neighbouring property, currently up in another tree. We believe the root system has failed and the tree has gone over in recent winds. This tree being in school grounds and over the neighbouring garden poses a serious risk. (please see attached photos).

The tree its self is on the grounds of:

St Paulinus Primary Academy  
Temple Rd  
Dewsbury  
WF13 3QE

The tree is overhanging and hung on a neighbouring tree of:

5 Ravens Lodge  
Huddersfield Road  
Dewsbury  
WF13 3EE

Our intention is to remove this tree week commencing 14/04/25. Please could we get confirmation this is the right way to inform you and all is acceptable with these works.

Kind Regards,  
Nick Mitchell – [Geckops Ltd](#)
