User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The area already has enough parking issues without adding extra traffic into the area, i often struggle to park near my home on an evening meaning i have to struggle getting to my vehicle in the mornings, the area needs more community buildings along with youth clubs/youth engagement projects not more religious buildings, there are 11 mosques within 1.5 miles of the proposed site according to Google the local area doesn't need more religious infrastructure
