<p>I fully support the proposal to change the use of Fartown Village Hall into a place of worship. This would bring immense spiritual, social, and cultural value to the local community. The mosque would not only serve as a peaceful space for worship but also provide a hub for much needed community activities, education, and support services. It would breathe new life into the area, promote unity, and offer a positive, welcoming environment for people of all ages. This is a timely and much needed development for Fartown.</p>
