<p>I am very happy to hear about this project. I believe this endeavour will serve the needs of the local community and even the wider community.</p> <p>I have lived on this side of Fartown for a long time and it's difficult for me to get to Birkby for prayers and local functions on a daily basis. I would love to walk but it's just too far for me.</p> <p>There are 4 mosques (There are not 11 mosques) that are 1.4 miles away from me and they are all towards the Birkby side of town. The addresses of the buildings may fall under the Fartown post code but they are all next to each other on the border of Birkby.</p> <p>I feel bad adding to the traffic and pollution over there, and finding a parking space when you reach there is an absolute nightmare as none of those mosques have a designated car park for the use of worshippers.</p> <p>I've always wanted to have something local that we can attend. People have hired local halls - which has been amazing but it's always been a temporary arrangement, there is a great need for the community that live on this side of fartown and I kinda feel like we've been out on a limb.</p> <p>There are no activities for the elderly or the youth or the ladies of our community and this building will hopefully tick every box for us.</p>
