<p>I strongly support the change of use from village hall to mosque. This will give me and others a local place to worship, learn, and gather, reducing the need to travel far and helping us practise our faith more fully. The mosque will also be a community hub, offering open days, charity work, cultural events, and educational activities for all residents, fostering understanding and friendship. Repurposing the hall ensures the building remains well-used and maintained, bringing fresh life to the village. This project will strengthen community bonds, celebrate diversity, and create a welcoming space for everyone.</p>
