

Consultation response from KC PROW (footpaths)

2025/91053 – Land off Wood Lane, Colnebridge

Change of use and alterations to barn to form 3 dwellings including associated works

Date Responded : 8/5/25

Responding Officer : Sharon Huddleston

Public bridleway Kirkburton 251 runs through the site and Prow would object to the application on the information submitted.

The recorded alignment of the bridleway is not where the cycle path is on the ground and not where the submissions show the route. The development proposes to build on the bridleway and the route is currently obstructed by fencing.

Prow would welcome a conversation with the landowner regarding the reopening of the definitive alignment.

The Council's public rights of way team may be contacted by telephone 01484 221000 and ask for Sharon Huddleston. The Public rights of way team are based at Civic Centre 1, Huddersfield HD1 2NF and the email address is [publicrightsofway@kirklees.gov.uk](mailto:publicrightsofway@kirklees.gov.uk)
