Good morning Kirklees Planning,

Thank you for your email.

Regarding planning application 2025/91080, there are no National Grid Electricity Transmission assets affected in this area/ by the proposal.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with <https://lsbud.co.uk/>. Additionally, if the location or works type changes, please raise an enquiry.

Please note this response is only in reference to National Grid Electricity Transmission assets only. National Gas Transmission (formerly National Grid Gas) should be consulted separately where required.

Kind regards,
