

Consultation Response from KC, Highways Development Management
2025/91080 Essential Enterprise Village, Fieldhead Farm, Field Head Lane, Birstall, Batley, WF17 9BN
Extension of car park (retrospective)
Date Responded: 03/07/2025 Responding Officer: D. Stainsby Responding Ref: K13-4SW/4

RECOMMENDATION:

No objection. The proposal is acceptable to HDM

The application is for a retrospective extension of the car park from 44 to 78 spaces. An increase of 34 car parking spaces.

The site is accessed from B6125 Fieldhead Lane using the existing access to the site which is acceptable

As the application is retrospective and the car park extension is already in use it is unlikely to have any material traffic impact

As a result, the proposal is acceptable
