Local planning policy for affordable housing is set out in the Kirklees Local Plan (adopted February 2019) under policy LP11 (Housing Mix and Affordable Housing). The Affordable Housing and Housing Mix SPD (adopted March 2023) provides detailed guidance and additional information to help implement Local Plan policy LP11 (Housing Mix and Affordable Housing).

Affordable Housing Contribution

Affordable housing policy: The council seeks to secure 20% of dwellings on sites with 11 or more dwellings, for affordable housing. On-site provision (housing) is preferred, however where the council considers it appropriate, a financial contribution to be paid in lieu of on-site provision will be acceptable.

Affordable allocation for this development: As the proposal is under 11 units there is no obligation to provide affordable housing. However, for this development, the applicant proposes all 10 x Apartments for independent living (Use Class C3) as Affordable Rent units.

Tenure:

Due to the shortage of social rented properties across the district, Strategic Housing's preference is for social rented units over affordable rented units.

See definitions of social rent, affordable rent and intermediate at the end of this consultation response.

Housing Mix
Ward: Liversedge and Gomersal
SHMA Market Area: Batley and Spen

Kirklees Strategic Housing Market Assessment (SHMA) sub area context: The Affordable Housing and Housing Supplementary Planning Document (SPD), adopted March 2023, sets out housing mix tables for each sub-area. The proposal falls within the Batley and Spen sub-area, so the following table applies based on local need.

	Market Housing	Affordable Social Rent	or	Affordable Intermediate
1 and 2 bed	30-60%	40-79%		60+%
3 bed	20-40%	0-19%		20-39%
4+ bed	15-35%	0-19%		0-19%

The table above should be used as a starting point for both market housing and affordable housing mix. It is acknowledged that there will be local circumstances, within the sub-areas, which could justify a different mix of housing to those set out in this SPD. Proposals which depart from the guidance set out in this SPD will need to provide evidence-based justification through the planning application process.

Type: The applicant proposes 10 x 1- bedroom apartments as Affordable Rent units.

Nomination Agreements

In accordance with the Council's Housing Allocations Policy, the Council seeks nomination agreements with Registered Providers in Kirklees for both social and affordable rented new build properties. There may be exceptions to this if they are negotiated at the development stage.

NDSS

The council desires that all developments meet the Government's Nationally Described Space Standards, which set out minimum requirements for internal gross floor area of new dwellings at a certain level of occupancy. The council recognises the nationally described space standards as best practice and will seek to ensure high quality living environments.

Design

The architecture of the affordable homes should be indistinguishable from the market housing in terms of the quality of materials and finishing, the architectural details, style, and space standards. The approach to external landscaping and on-plot car parking should be indistinguishable from the market dwellings.

Definitions of Affordable Housing

Social Rent – must comply with the following (i) rent set in line with the Government's rent policy for social rented affordable housing and (ii) the landlord is Registered Provider.

Affordable Rent - must comply with the following (i) rent which is no more than 80% of local market rent (inclusive of service charges where applicable), calculated using RICS approved valuation methods (ii) the landlord is a Registered Provider and (iii) includes provision to remain an affordable price for future eligible households as defined in Annex 2 of the National Planning Policy Framework (or any future guidance or initiative that replaces or supplements it)

Intermediate Housing – housing at prices and rents above those of social rent but below market price or rents. This includes Shared Ownership, Rent to Buy, Discount Market Sale, First Homes or other shared equity and low-cost home ownership schemes. Previously included Starter Homes but this tenure has now been withdrawn by the Government and replaced by First Homes.
