Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

24. Biodiversity Net Gain

Do you believe that, if the development is granted planning permission, the Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990) would apply?

Yes No

If No, please provide reasons, with reference to which exemptions or transitional arrangements you believe apply:

If Yes, please provide the information requested in all the questions below:

Please provide the date the pre-development biodiversity value of onsite habitat(s) have been calculated:
(this should be one of the following dates: the date of this application; or an earlier proposed date)

Date (DD/MM/YYYY):

25/06/2025

Please provide the pre-development biodiversity value of onsite habitats on this date:

1.36

If a date earlier than the date of the submission of the planning application has been specified above, please provide reasons why this date has been used:

Please state the publication date of the biodiversity metric tool(s) used to calculate the onsite biodiversity value(s) provided above.

Date (DD/MM/YYYY):

21/02/2025

24. Biodiversity Net Gain (continued)

Has there been any loss (or degradation) of any onsite habitat(s), resulting from activities carried out before the date the pre-development biodiversity value of onsite habitat(s) was calculated and either:

- on or after 30 January 2020 which were not in accordance with a planning permission; or
- on or after 25 August 2023 which were in accordance with a planning permission?

Yes No

If yes, please provide details including: the date immediately before this activity was carried out; the onsite biodiversity value on this date; and any supporting evidence (or reference to relevant document containing these details).

If yes, please state the publication date of the biodiversity metric tool(s) used to calculate any onsite biodiversity value(s) provided above.

Date (DD/MM/YYYY):

Does the application site have irreplaceable habitat(s) (corresponding to the descriptions in The Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) which exist on land to which this application relates on the date the pre-development biodiversity value of onsite habitat(s) was calculated?

Yes No

If yes, please provide a description of these and any further details (for example reference to relevant document):

I/We confirm this application is accompanied by the following:

i. The completed biodiversity metric tool(s) showing the calculation of the pre-development biodiversity values, and on the dates, detailed above including, if applicable, those related to any loss (or degradation) of any onsite habitat(s)

ii. Plan(s), showing onsite habitat(s) existing on the date the pre-development biodiversity value of onsite habitat(s) was calculated; and

iii. If applicable, plan(s) showing onsite irreplaceable habitat(s) existing on the date the pre-development biodiversity value of onsite habitat(s) was calculated.

Pre-application Advice

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes

No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title

First Name

Surname

Reference

Date (must be pre-application submission)

Details of the pre-application advice received

KC Highways Development Management:

- site access to be a minimum 4.5m wide, gates to open inwards into the site.
- sight lines to be indicated on a suitable plan.
- The proposal appears to be able to provide ample parking for the proposed dwelling, together with a turning area for vehicles.
- confirmation on the size of the proposed dwelling to confirm number of required parking spaces.

KC Environmental Health:

- Electrical vehicle charging point.

"It would appear that the principle of this pre-application could be broadly acceptable in principle, however, it is advised that the recommendations set out within this written pre-application response be taken into consideration upon the submission of a full planning application. Any subsequent planning application would need to be policy compliant with regard to all the material planning considerations set out within pre-application response."

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

Yes

No

Is any of the land to which the application relates part of an Agricultural Holding?

Yes

No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
