Address of the site or building:	building at, Back Chapel Lane, Moldgreen, Huddersfield, HD5 9BG
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I live on this road and traffic coming up the toad is bad enough, the road isnt wide enough for 2 vehicles to pass each other, it is usually lined with parked cars and we dont need more student accomodation, half the student buildings are half empty. I think there would also be more anti social behaviour and noise.
