<p>Traffic concerns, chapel lane is a narrow street and not wide enough for 2 vehicles to pass, it is already a busy road with traffic cutting through to moldgreen, and parking as cars are usually parked all the way up the road.</p> <p>I feel there will be more noise and disturbance due to students coming home from nights out and distrubing people living in the houses.</p> <p>Impact of building works on wildlife and environment.</p>
