We object to your planning application

Dear Sir/Madam,

Thank you for sending your notice dated **9 Jul 2025**

We enclose a plan showing our plant in the area of address **Unit 800 Bretton Pk In Est, Dewsbury, WF12 9BS**

we object to the planning application on the grounds that the protection given to our plant may be diminished by the works you intend to carry out. There are specific building proximity distances for individual pipelines, which are dependent on pre-defined risk levels and the type of development. If your proposal includes the construction of buildings, it is essential you contact ~~Kristian Ainsworth 07773545806~~ Kristian is the pipeline technician.

Kind Regards
