Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

It is accepted that the proposed use falls within Use Class C2 and hence the change of use from C3 is not an automatic permitted change. However, it is nevertheless argued that there is little material difference between the current and proposed use meaning that planning permission is not
required. The house will have residents living and carrying out normal residential activities as are expected to happen in a normal residential household.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We wish to provide a home for one disadvantaged young person. This is a vital service that enables local authorities to fulfil their legal obligations to provide a safe environment for each young person that needs this level of guidance and support which cannot be provided within his or her own family home. We are seeking to obtain a certificate for lawful use of this property. The house will continue to be a residential property for the young person who will live there, having their own bedroom and residing in the home as a permanent resident. I do not believe there is any material change of use. It is maintained that the nature of the use is not materially different from the current use as a family home. Comings and goings would be no greater than a typical house, hence there would be no undue disturbance to any neighbours. The local authority is therefore respectfully requested to support the application to allow this much needed facility to be established to provide suitable care and accommodation for vulnerable children who will greatly benefit from the care provided

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
